***"At least one error upon which reissue is based is described below:"***

- 1) In about January 2002, upon information and belief, it was determined by the undersigned that Christopher Taylor should have been added as an inventor for the above-referenced application/patent for the subject matter disclosed in parent U.S. Application No. 09/206,720 and later claimed in the above-referenced application/patent that Christopher Taylor was a co-inventor/inventor of.
2. Inventorship for the above-referenced application/patent should have been Ken Wilson and Christopher Taylor, instead of Ken Wilson, as indicated in the issued patent.
3. Such a correction of inventorship is a proper basis for a reissue pursuant to MPEP §1412.04 where 35 U.S.C. §256 and 27 CFR §1.324 do not apply.
